## Chicagoland Natural Gas Savings Program Home Efficiency Rebate Request Form

*Thank you for your interest in the Chicagoland Natural Gas Savings Program!  
Please follow these steps to ensure a streamlined application submission:*

1. Please read the complete list of eligibility requirements on the following page and ensure that your installation is eligible for Program rebates.
2. If you meet the eligibility requirements, please complete the table below (note that failure to complete the table and provide required supporting documents will either delay the payment process or result in your application being denied).
3. Make a copy of your completed application to retain for your records.
4. Use the checklist at the bottom of this page to ensure you have included all of the required documentation.
5. Place the original application and a copy of your sales receipt in an envelope and mail to:  

**Chicagoland Natural Gas Savings Program**  
**3800 Watt Avenue, Suite 105**  
**Sacramento, CA 95821-2672**
6. Alternatively, you can submit a rebate application online at: [www.conservationrebates.com](http://www.conservationrebates.com).
7. Should you need any help, please call the Program's customer service line at: 866-964-7345.

Rebate  
Application No.

Please complete all applicable sections below:

CUSTOMER INFORMATION			
Indicate your utility: <input type="checkbox"/> Peoples Gas <input type="checkbox"/> North Shore Gas	Utility Account #	First Name	Last Name
Installation Address		City	State      Zip
Mailing Address (if different)		City	State      Zip
Phone Number	Applicant Email		
Contractor Company Name		Contractor Business License #	Contractor Phone
Contractor Address		City	State      Zip

- Check here  if you have pre-existing wall/floor or attic insulation. If you can reliably estimate your pre-existing R value, please do so here:  
\_\_\_\_\_

I certify that I have not/will not receive a rebate for the same product or equipment from more than one Illinois investor owned utility or third party energy efficiency program offering rebates or financing funded with ratepayer funds. I certify that I paid for the energy efficient product as reflected on the receipt. If I am a commercial customer, I certify that I am taking service from Rate Classification No. 2.

Applicant Signature (Required) <b>X</b>	Print Name	Date
--	------------	------

## Chicagoland Natural Gas Savings Program

### Home Efficiency Rebate

### Eligibility Requirements

Rebate  
Application No.

#### QUALIFICATIONS:

- You are only eligible for a rebate if you:
  - ✓ Are a Residential Customer (Service Classification No. 1) or General Service Customer (Service Classification No. 2) of Peoples Gas or North Shore Gas (the Companies)
  - ✓ Installed qualifying products in a residential dwelling or small commercial building
  - ✓ Purchased qualifying equipment new at retail price
- Your installation of a high-efficiency clothes washer, water heater and/or insulation is only eligible for a rebate if it is:
  - ✓ ENERGY STAR rated (Not all clothes washers, water heaters, and installed insulation will qualify for a rebate.)
  - ✓ Qualified, residential-sized equipment, based on the efficiency requirements in the table on the next page
  - ✓ Purchased between May 1, 2009 - October 31, 2009
  - ✓ Installed prior to submittal of this application at the address listed on the application
- Your installation of a high-efficiency water heater is only eligible for a rebate if it is:
  - ✓ Installed by a professional contractor, conforming to all applicable local building codes and manufacturer specifications
- Your insulation installation is only eligible for a rebate if it is:
  - ✓ Installed on exterior walls/floors between heated and unheated spaces
  - ✓ New material that meets or exceeds all applicable local, state and federal standards
  - ✓ Installed following manufacturer's requirements
  - ✓ For **attic insulation**, must:
    - Be installed throughout the entire attic
    - Final insulation level must be ENERGY STAR-rated R-38 or greater
    - If pre-existing insulation is present, must indicate in table on next page
  - Final insulation level for crawl spaces with less than 24 inches between the bottom of the roof rafter and the top of the ceiling joists must be at least ENERGY STAR-rated R-19
- ✓ For **floor/wall insulation**:
  - Must achieve a minimum level of ENERGY STAR-rated R-11
  - If pre-existing insulation is present, must indicate in table on next page
- Offer is valid from May 1, 2009 - October 31, 2009, or until funds are depleted, whichever comes first. **To be considered complete and eligible for rebates, all applications must:**
  - ✓ Be postmarked no later than 60 days after the purchase date, or by November 30, 2009, whichever comes first
  - ✓ Be limited to one rebate of each qualified product per customer
  - ✓ Include proof of purchase receipts, work orders or other documentation consisting of:
    - An itemized description of the product, including purchase price and purchase date
    - For **insulation** - Installed R value and installed square footage
    - For **all products except insulation** - Brand and model number
    - Professional contractor's name, business license number, phone number, address, product cost and installation cost (if product was installed by a contractor)
  - ✓ Use separate applications if applying for multiple products installed by different professional contractors
- Online Applications must:
  - Be submitted online at: [www.conservationrebates.com](http://www.conservationrebates.com) (do not mail in this form)
  - Be accompanied by a copy of sales receipt and online confirmation page, submitted to: Chicagoland Natural Gas Savings Program, 3800 Watt Avenue, Suite 105, Sacramento, CA 95821-2672

#### PLEASE NOTE:

- For questions regarding the Program or for rebate status, please call 866-964-7345, Monday through Friday, 9:00 a.m. to 7:30 p.m.
- To view a list of qualifying clothes washers and water heaters or to apply online, visit [www.conservationrebates.com](http://www.conservationrebates.com).
- Please allow up to 8 weeks for your completed application to be processed. Incomplete applications cannot be processed.
- Tenants must include written permission from the property owner granting permission to install the measure(s).
- All measure installations are subject to verification inspection by the Program Administrator to ensure that the equipment is properly installed and operating.
- The Company, EGIA (rebate processor), Governance Board Members, Contract and Program Administrator disclaim any and all liability, loss or damage related to:
  - participation in the Program, including use or installation of the measure;
  - loss or delay of rebate check in the mail; and
  - any taxes that may be imposed as a result of participation in the Program.
- Rebate incentives may not exceed the cost of the energy efficient product.
- This Program is subject to change and may end without prior notice.
- For more Program information, to verify eligibility or to see qualifying products lists, please visit [www.conservationrebates.com](http://www.conservationrebates.com) or call 866-964-7345.
